HIS HOLINESS, JOHN POPE
PAUL THE SECOND.

DEAR FATHER,

it was after reading ^{the book of} Poland's ex-president,

~~Mr Lech Watisa's~~ book, "The Struggle & the Triumph", that

I learned of your ^{divine} blessings in combating the Evil Empire,
the Ex USSR.

Similarly, around the same time, my

folks, the people of Afghanistan, were fighting selflessly in

order to combat the Red Army. Thanks to God's mercy,

the Evil Empire Collapsed. ~~Unbeknownst~~ however, this ^{occurred} ~~was~~

after ~~the~~ ^{1 1/2} million ^{plus} precious lives were sacrificed.

Unbeknownst ^{after} defeating the Red Army, the War

Lords / or Freedom fighters. as ^{the} ex-President of the U.S; R. Reagan called them / forgot about the holy objectives of ISLAM. (That is, the Religion of Peace) ^{and} Rather fiercely, they have become engaged in a devilish struggle for individual power.

Our ^{American} supportive friends, ^{probably due to} Post-Communist world problems/demands, ^{as} seem to have ^{too} become overwhelmed, and forgot about us. That is, we think that they did not seem to care much in so far as to monitor an effective.
